CAMPUS PLANNING TO IMPLEMENTATION AT MACALESTER COLLEGE

APRIL 30th, 2025

Come join us for a **tour** of the recently renovated [Campus Center at Macalester College](#), to be completed in the summer of 2025!

Accompanying the tour will be a brief presentation, *Campus Planning to Implementation*, detailing the work of the CCP in setting the stage for future sustainable development on campus.

The renovation of the Campus Center is the first project to be finished after completion of [Macalester's Comprehensive Campus Plan \(CCP\) in 2023](#). The new facility will include a geothermal well field as well as mass timber construction as part of Macalester's commitment to reduce its carbon footprint on campus.

Presenters: Nathan Lief, AVP of Facilities at Macalester College; [Rebecca Celis](#), Principal at HGA; [Emily Michael](#), Project Manager at McGough Construction
